Residential Casement & Awning Window Solutions

NOVA® 2-Bar Hinges

Precision Support for Every Sash.

The new NOVA® hinge series delivers the ultimate in performance and flexibility. The series is designed with state-of-the-art technology to support and control projecting sashes, including special heavy duty options for high weight capacity.

13” NOVA® Casement Hinge

10” NOVA® Casement Hinge Egress

Product Features

Concealed Multi-Material Hinges
Concealed 2-bar hinges for wood, vinyl and aluminum applications.

Snap-On Assembly Design
Simple snap-on spring clip design for quick, easy window assembly.

Easy Sash Alignment
Adjustment feature allows for convenient sash alignment with window open or closed.

High-Performance Track System
Innovative track design provides maximum performance and corner weld clearance in vinyl applications.

Ventilation Opening
Opens 90 degrees for full ventilation.

Anti-Chatter Awning Hinge
Awning hinge features friction adjustment to eliminate sash chatter.
